

IT'S ALL

ABOUT THE

LAKE

14th Edition

June 2023

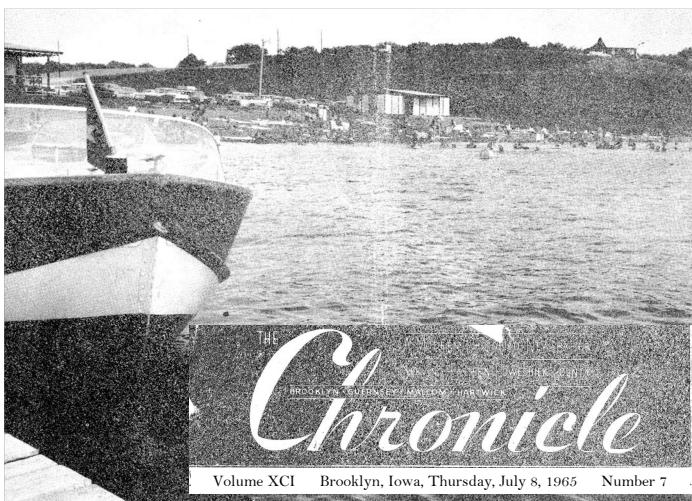

With cooler temperatures this spring, it feels like we had a bit of a late start to the season, but summer is now upon us. With this, comes my favorite time of the year.....LAKE LIFE at it's best! Families gather, old friend catch up, new friends are made. Like always, the lake has some fun events coming up, including our usual 4th of July Celebration, the Poker Run and Holipalooza. Adding to these events this year, is CF Rock-n-Roll Revue, a band playing on the water at the home of Dave and Denise Link on July 15th!

I am still trying my best to get Food Trucks in here on the weekends. The problem that I am running into is that this lake our ours is one of Iowa's best kept secrets, which I guess isn't necessarily a bad thing. When I am able to get trucks here, we all need to be sure to support them so that they want to come back!

Soft Serve Ice Cream and Slushies have been a hit this year at Gator's. We plan to be fully stocked with all of your favorites for the upcoming holiday weekend and the ice company has been warned! We just ask that everyone be kind and courteous, especially when using the path. Speaking of the path, it is currently in the process of being moved. But for now, we kind of have two lanes so feel free to use both as we work on getting a good base on the new one.

Have a Safe and Sun-filled summer, everyone!

Jeni & Shane

THERE WAS A MASS OF HUMANITY at Holiday Lake over the Fourth of July weekend as people from all over Iowa participated in a variety of outdoor activities. This view of the swimming beach Monday afternoon is a sampling of crowds which could be found in other parts of the lake area as Iowans were picnicking, fishing, boating, water skiing, or just plain relaxing. Crown estimates at the lake on Sunday ran between 5,500 and 6,000.

Paper (snail-mailed) editions of "It's All About the Lake" go out to all current lot-owners, 1 copy per lot/owner. To view the latest edition online or share with your friends and family, please go to www.gatorenterprise.com. Has your mailing address changed? Please email me so I can update my records at jenidegeeter@netins.net

Holiday Lake Rocks

Holiday Lake Rocks will have another fun event to participate in over the 4th of July weekend. A big shout out to Sara Eggland for all of her help painting rocks for this special event! Over 200 rocks will be hid over the 4th and a few 'special edition rocks' will be hid that will be good for soft serve or slushies at Gator Enterprise! Last call for Golden Rock #3! I would really like to re-use them for other weekends, soon I will take it out of play and replace it. Thank you so much to all of our sponsors that have donated to pay for treats, it is truly appreciated! If you are interested in donating, please leave donations at Gator Enterprise, or look on the #HLR Holiday Lake Rocks facebook page for the Venmo QR Code. Don't forget, if you find a rock, post a picture, and re-hide! If you don't have time to re-hide you can always drop off rocks in the bucket at Gator Enterprise so we can make sure rocks stay in circulation! Happy rock hunting everyone!

MY FORESTER GRANT

By Mary Little

Gary and I are members of the Independent Order of Foresters. This is basically a life insurance company that is member owned. They have always had a variety of charity programs, but this year is the first time I saw they had

a Forester Care grant of \$200.00 to purchase items for a nonprofit organization. We applied and were granted the funds. We chose to purchase dog and cat supplies for PALS out of Grinnell. We asked the Lake community to also add to this grant by donating dog or cat food and supplies. So far, we have had some people donate. I placed a deadline for items

to go to PALS by the end of June. This time of year, almost all animal rescue facilities are full of new kittens and puppies. It is so important to help and important to spay and neuter your pets. Adopt don't shop. Lucky for us Foresters offer this grant twice a year, so I am looking to help more organizations.

You can help the Ronald McDonald House Charities of Central Iowa by collecting and donating aluminum pop tabs. The funds generated from recycling these aluminum gems help offset the House's expenses such as electricity and water bills. Drop off your tabs at Gator Enterprise, LLC and we'll be sure that your tabs make a difference!

Fish Committee Update

By Committee Member Barry Knowles

Summer is here, and the Poker Run is near! Please join the fish committee for the 20th Anniversary of our annual Poker Run held on July 29th at 1pm. Registration will be held from 11-1 at the Community Center. All entry fees, raffle money and donations will directly fund the stocking of our lake. The Fish Committee stocks our lake twice a year, every year, thanks to your support. Stocking takes place in the spring and fall. There are a few different reasons for separating the stocking into two "seasons". Hatcheries stock fish according to water temperature and stress on the fish, therefore, stocking take place April-June for spring and September-November for fall. There are benefits to both. In the spring, stocked fish can grow rapidly due to readily available food and warming water temperatures. If fish are stocked in the fall, while diets are on the decline, they are less likely to be eaten than in the spring. Timing the spawn and hatchery availability also play key factors on our stock dates. We typically stock bluegill, crappie, catfish, red ear in the spring and out walleye, perch and bass in the fall. This year's spring stock consisted of the following:

- 2,000 Red Ear (3-4 inches) at \$1.75 each
- 1,000 Crappie (6-8 inches) at \$3 each
- 1,000 Crappie (10 inches) at \$8.50 each

Again, none of this would be possible without each and every one of you. So thank you, and give yourselves a pat on the back. Ourselves and future generations are all beneficiaries.

Enjoy a summer of Bingo fishing! The first person to fill out and return a bingo card (must fill one line in any direction) with pictures will get a \$20 gift card to Gators! Good Luck everyone!

Take a kid fishing,

Barry

RIZ 2023 Hap's Cove Dredge Project

The Hap's Cove dredge project is planned to start after Labor Day and be completed by November 30, 2023. Midwest Dredging from Ankeny, IA has been hired for the project who will use a DINO 6 cable operated mini dredge. Blake Wilkenson will be scuba diving the dredge zone to identify and remove obstacles such as tires, cement blocks and fishing structure that could break the dredge cutter head and/or pump.

RIZ will be looking to hire a part time Piranha pump mini dredge contract operator at an hourly flat rate to remove sediment around boat lifts and pump into the middle of Hap's Cove where the DINO 6 cable operated mini dredge can reach. RIZ would identify a Hap's Cove dock or boat lift for sediment removal and the contract operator would be required to work a minimum 3 hours per day until completed.

Please email holidayriz@gmail.com if you are interested in working part time as a Piranha pump mini dredge contractor removing sediment around boat lift docks in Hap's Cove.

Dredging in front of Lots: 1053, 1054, 1055, 1056, 1057, 1058, 1059, 1060, 1061, 1062, 1070, 1071, 1072, 1073, 1074, 1075, 1076, 1077, 1078, 1079, 1080.

Cool, Clear Water

By Blake Wilkinson

Recent underwater views have been filled with a lot of activity. The fish are out-and-about. Visibility is quite good, 10-15 feet in some areas. The bluegill are tending nests and are quite friendly; the walleye swim parallel with the divers but stay about 6 feet away; the perch and bass will swim by to see what we are up to, then continue on their way; and the catfish are, well, cat-like ... they just want to be left alone. Visibility is quite good, 10-15 feet in some areas.

Books are available for purchase at places like Barnes & Nobel and Amazon. And you just may find one in a little library here at the lake!

Betterment Committee Update 6/2023

The Betterment Committee completed Spring clean up of BOZO Park and flower beds around the Lake. We have also completed additional landscaping at the Beach. Solar lights were added to the poles and perennial grasses along the sidewalk. In time, we hope the grasses will flourish and add a beautiful soft element to the environment.

The Committee will **not** be holding the monthly meetings for the remainder of this calendar year, however, will continue to water, weed, and care for the plantings throughout the summer season. We plan to add décor elements during the coming seasons, as in the past.

WEATHER SIRENS

Outdoor Warning Siren (OWS) monthly testing is on the First Saturday of the month at 10AM. During these monthly tests, the sirens will activate for a full 3-minute warning cycle.
