

IT'S ALL

ABOUT THE

LAKE

3rd Edition

August 2019

Hello Holiday Lakers!

This is the final issue of It's All About the Lake for 2019. I have had such an overwhelming response to this little pet project of mine that I plan to do it again next year! As always, I am always looking for article ideas and writers. Please contact me if you would like to contribute or have an article idea.

As sad as I am to see summer go, my heart is full from all of the great friendships I have made over the summer and all of the amazing lake people that I have met. There is definitely a different quieter lake atmosphere out here in the winter for us Full-Timers and that's OK!

Gator Enterprise, LLC stays open year-round, so please keep us in mind for repair service and bait! And we will do our best to keep you apprised of what new services and products we will be offering next spring in the spring edition of this newsletter and on Facebook.

Here's wishing you a Happy-Thankful-Merry 2019 and look for your next issue in the Spring of 2020!

Sincerely,

Jeni DeGeeter

There are plenty of simple favors you can do for others on a day to day basis to help spread good vibes and pay it forward.

Throughout June and July, random yellow smiley face signs have been showing up in flower beds and by front doors of residents at Holiday Lake. There have been some negative social media, and this small act of kindness has brought a smile to many of us here.

There's nothing complicated about a random act of kindness. It's a pure and simple act for someone else's benefit.

The smile face fairy (or bandit) would like to stay anonymous, however many of the lake residents would like to say "Thank you" for cheering up their day.

Contributed by:
Lot Owner Tiffany Norris

Holiday Lake Makes History

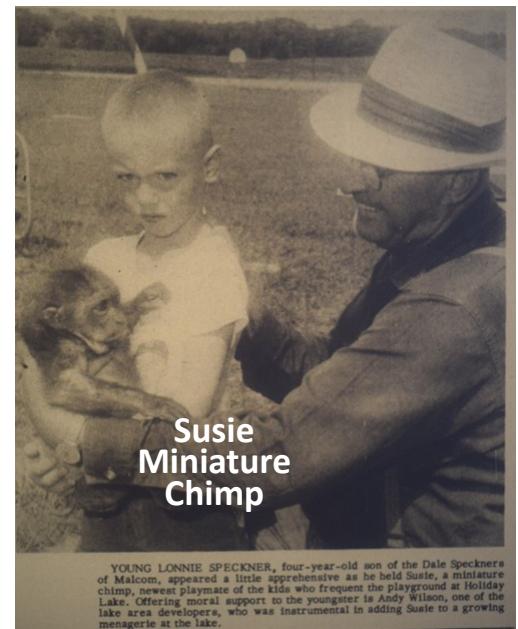

By Lot Owner, Blake Wilkinson

Did you know?

Lake founder & developer Andy Wilson liked to bring exotic pets to live at the lake? They included, chimpanzees, myna birds, peacocks, penguins, donkeys, and many more. An excerpt from an article written by Pearl Moore in 1966 tells some of the story...

'Henrietta' the mule was brought from Illinois for 'Henry' and after a slow-starting romance, they are getting along fine. A peacock and two myna birds were added to the menagerie. However, the peacock doesn't seem to like it too well and spends most of his time in the timber. The myna birds have been given to new owners. "Susie" is to take up new residence at the Children's Zoon in Des Moines where she will no doubt be happy on Monkey Island. Seven kittens arrived a couple of weeks ago — total cats — 10.

Thank you for being part of the Holiday Lake Family! Be sure to share your memories with Holiday Lake – History facebook group!

20--Brooklyn (Ia.) Chronicle--May 12, 1966

Kid's Club is a Christian-based after-school program held at the Community Center. Kent Chapel and the Women's Society lead children through Bible Stories, Music, Crafts and Games.

Join us, Thursdays after school until pick-up at 5:30 from the 3rd week in September through Easter.

Register your children when you drop them off for the first day on Thursday, September 19th. Contact Pastor Dorothy Banzhaf with any questions 641-522-7205

Come join us for

Kids Cove!

Kids Cove is held once per month from February through November depending on the weather and attendance. These events allow kids of Holiday Lake, ages 7-14, to get together and play games, do crafts and make new friends! We post updates and scheduled events on the "Our Lake" Facebook page or you can also reach our website directly at

<https://chrisdinaso.wixsite.com/kidscove>

or through the Holiday Lake page at

www.holidaylakebrooklynia.com

(click "kids cove" on the left hand corner).

Saturdays at 6-7:30PM at the Community Center

Fall is almost here and you know what that means, it's about time to prepare for winter. Your summer home will be empty for months and if it's not prepared for the snow and cold, you may have to deal with expensive damages come next spring. To prevent that, here are some helpful tips:

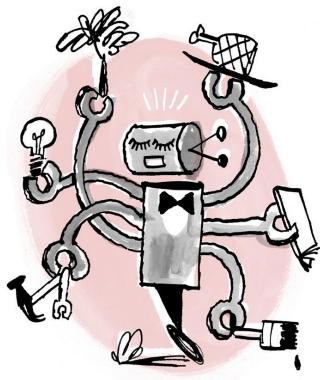

1. Keep the sump pump pumping. There is nothing more annoying than listening to those septic alarms!
2. Drain your pipes. Turn off your water supply and drain your pipes and all water containers to prevent them from freezing (and possibly bursting). Please read article from Poweshiek Water in this newsletter!
3. Clean your gutters. Clogged gutters can cause water to back up under your shingles, leading to a leaky roof.
4. Inspect your roof. Snow buildup over the winter can cause roofs to leak or even cave in, so replace broken or missing shingles before the winter weather sets in.
5. Check for any openings small animals may be able to squeeze through. Nobody wants a surprise four-legged guest in their home!
6. Unplug major appliances.
7. Turn the heating down (or off). If your cabin has a furnace, consider setting the thermostat to around 45°F to prevent frost build-up, or turn it off entirely to save energy — but only if you've properly prepared your pipes to prevent freezing.
8. Get rid of fire hazards. Pack up and remove loose paper products (like books and newspapers), and other items that could easily catch or spread fire.
9. Clean out the fridge and cupboards. Food can attract insects and animals. When you're ready to call it a season, pack up all food (even dry and canned goods) and take it home with you.

Last but not least, there is nothing better than good neighbors! When you say your summer farewell, tell your full-time neighbors, if you are fortunate to have any, so they can keep an eye on your property — just be sure to let them know if someone will be stopping by to check on the place, so they don't think you are being robbed!

Shane and I check on a few summer-only properties throughout the winter months. We get calls to check on things like thermostats, septic alarms and check for flooded basements after a big rain. We can even let repair people in. If you find yourself in need of a like service this winter, please call out to Gator Enterprise, LLC. 641-522-7313.

#HLR Holiday Lake Rocks

Where's my ROCK? By Andrea Rahe

It was a great rock hiding season! I really appreciate everyone's participation. I know there is a lot of chatter on the Facebook page on rocks that are hid, and never to be seen again. However, it is just part of the game. It doesn't necessarily mean that the rock was taken out of circulation. It could possibly be out there waiting for someone to find, or it just never made it to the Facebook page. Don't let it get you down, just keep on rocking!

As Fall approaches and the rock hunting dies down, please feel free to put all of your rocks in the 'hibernation bucket' located at Gator Enterprise, LLC (after Labor Day), or if you would like to keep them warm inside your place, you can do that too. Just don't forget to re-hide them in the Spring.

Thank you again for EVERYONE that makes this possible! I love how rock hunting is becoming a lake tradition!

Winter Water Shut-Off information

Poweshiek Water Association provides the option of padlocking the service & disconnecting the meter at the pit. There is a service fee of \$50 for the technician to do this "snowbird" procedure. If the customer has met their five year contact, they would go to half rate minimum while the service is locked off. The half rate currently is \$19.88 due monthly. When the customer wants the service reinstated there would be another service fee of \$50 for the technician to return and hook all equipment back up. Customers whom have not met their five year contract would continue to pay a full rate minimum, \$39.75 monthly while locked off. The customer would need to drain their personal water system so no water is left in their plumbing. This procedure will ensure no water will freeze in the cabin. PWA reads the meters once monthly therefore if water pipe breaks in a home it could be days or possibly weeks before it is known. Everyone is encouraged to have a plan in place to check their property if they choose not to disconnect their water through the winter months. For further information, please contact:

Fish Committee

The 2019 Holiday Lake Poker Run was once again a huge success, thanks to the many volunteers, stop hosts and support from all! There were approximately 325 registrants this year, and the stops were the Holiday Lake Board of Directors, Jodi & Jamie Sargent, Patsy Romine & Kent Gunderson, Jerry & Cindy Wagner and Todd & Kim Eiler. If you are considering being a stop for next year's Poker Run, please contact the Fish Committee.

After expenses, the Poker Run netted \$7,000 in profit, which will go towards the fall stocking program. What is being added to the fish population, you ask? Fall plans are to stock both the main lake and Bozo with 2,000 Walleye, ranging in size from 5 to 7 inches and 2,000 Perch, in the same size range. At this time, there will be no fish added to Andy's pond in anticipation of future dredging. The aerator is now up and running in Bozo Pond and the Artificial Structure Program is almost complete with a final batch of structures being ordered and installed in the coves this fall.

Be sure to check the Lake's website for the date of the 2020 Ice Fishing Tournament as it is yet to be set.

LAKE IMPROVEMENTS

It's been a busy summer with lots of improvements to our Common Areas. Local businesses, the Home Owner's Association Board and many volunteers have really stepped up their game! There is now a beautiful Mural at the Beach Boat Ramp. A Handicap Accessible dock was installed at the North Boat Ramp, and new bathrooms are "in-progress" at the South Boat Ramp, which are also Handicap Accessible. None of these great amenities would be possible without the help and contributions from you, the lot owners,

THANK YOU!

Holiday Lake Makes History

By Lot Owner, Blake Wilkinson

During the construction process of Holiday Lake streets, coves, and parks were created and all of them needed to be named. The History Group has been working on documenting the backstories of these familiar lake names. Rich Franklin, son of the chief surveyor, has been instrumental in this process. (Thank you, Rich!)

The following is a list of what we know and what we don't. Please chime in if you have an additional information by contacting the Holiday Lake – History facebook group!

Lakes

Andy's Fish Lake	Andy Wilson developer
Pete's Fish Lake	
Bozo Lake	Albert "Bozo" Kozeliski died while working on the lake. Born March 7 1915. Served in WWII (IOWA CPL 876 BOMB SQ AAF WORLD WAR II) Died of a heart attack while working at the Lake. January 1966.

Coves

Bob's Cove	Bob Franklin – Family of John Franklin (chief surveyor) John Franklin's son & part of survey crew.
Don's Cove	Donald Wilson – son of Andy Wilson or Don Wagner - survey crew
Ford's Cove	Jack Ford – helped with the bulldozing (and more?) (Dempsy Ford was one of Andy Wilson's pallbearers)
Ike's Cove	Lowell H. "IKE" Wilson, developer.
Poe's Cove	Roland "Poe" Popelka - survey crew
Hap's Cove	Baseball Player from Belle Plaine Wayne M. "Hap" Myers . Born March 24 1924 in Belle Plaine. Married Lucile Chekal in 1952. Was a professional baseball player with the Cleveland Indians and played for a semi-pro team in Belle Plaine. Worked as a land surveyor. Served 4 years in the Navy in WWII. Died 1988.

Parks

Bozo's Park	Albert "Bozo" Kozeliski died while working in the ear. Born March 7 1915. Served in WWII (IOWA CPL 876 BOMB SQ AAF WORLD WAR II) Died of a heart attack while working at the Lake. January 1966.
Alma's Park	Alma Schultz - Marie (John's wife) Schultz Franklin's mother. Alma Marie Schumacher Schultz Born 1 Apr 1886 died 1971. Married to Frank J Schultz.
Casual Park	
Dock Park	By the dock?
Marie's Park	Marie Franklin?? Marie Franklin - John's wife
Madonna's Park	Madonna Posusta. Wife of Donald Wilson (Andy's son)
Powell Park	H.C. Powell original landowner
Rita's Park	Rita Franklin – Family of John Franklin (chief surveyor) Rita is David's wife, daughter of Kelly Johnson
Ryan's Park	Thomas P. Ryan original landowner, land for park purchased in 1963
